Portable

ELECTRIC DRILLS

Versatile Porter-Cable Drills are widely used by builders, electricians, plumbers, farmers, and homecraftsmen because they are designed and built to rigid professional specifications. Each

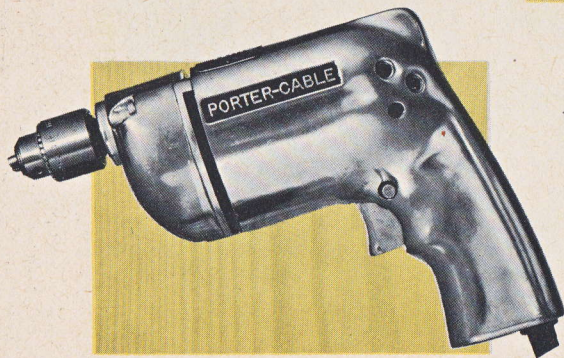

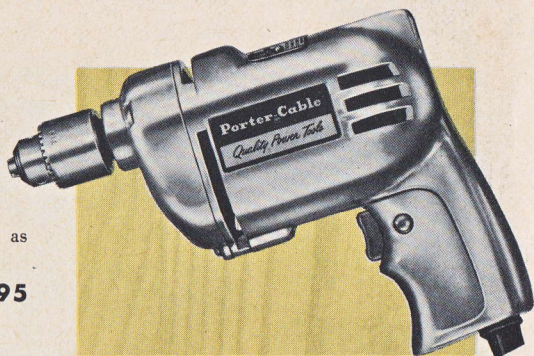

drill is powered by a specially designed heavy-duty motor and comes equipped with a precision gear chuck and key. And there's lots of extra power to drive the many handy attachments.

3-STAR 1/4" Drill Model 161

- Precision Geared Chuck
- Ball Thrust Bearing
- 3-Wire Safety Cord

And many other quality features such as insulated trigger switch with lock button, self-lubricating bronze bearings.

ONLY
\$19.95

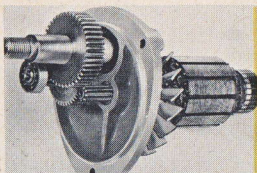

5-STAR 1/4" Drill Model 107A

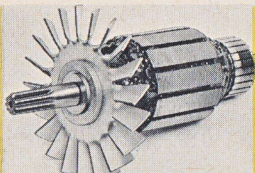

- Extra Motor Power
- Man-sized Pistol Grip
- Compound Reduction Gears
- Ball Bearing Equipped
- Precision Geared Chuck

Special offset chuck and streamlined design permits accurate drilling to within 3/4" of any vertical or horizontal surface. Ideal for drilling in cabinet, millwork, automotive, repair and sheet metal shops, as well as in the home and hobby workshops.

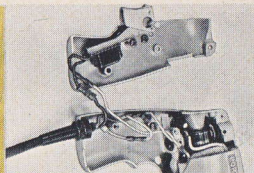

ONLY
\$34.95

Drill gears are precision-hobbed from finest steel for maximum efficiency and long life. Proper gear reduction maintains correct drilling speed and efficient power transmission to drill chuck.

Motors are built under rigid specifications to eliminate vibration and to generate optimum power output for every drilling purpose. Highly efficient fan keeps motor cool.

Trigger switch for safe, "on-off" control. Cord strain-relief prevents kinking and dangerous wear. All wiring is plastic insulated and carefully installed to assure safe drill operation.

Miracle

WOODWORKING TOOL

Make all the perfect advanced cuts that professional cabinet makers and carpenters do—cut grooves, dados, mortise door hinges, make rabbet, dovetail and other "lifetime" joints, cut inlays, fancy moldings—all with precision and slick edges. You can do all this,

and more, with a Porter-Cable Router. It has many important and exclusive features such as lifetime sealed bearings, non-marking base, and a high-speed interchangeable motor that can be used with Power Plane and Shaper attachments.

ONLY
